

**PROJECT TITLE:** 2004 Evaluation of durum variety performance on fallow at Geraldine and Winifred.

**PROJECT LEADER:** D. M. Wichman, Agronomist, Moccasin, MT

**PROJECT PERSONNEL:** L. E. Talbert, Spring Wheat Breeder, Bozeman, MT  
S. P. Lanning, Spring Wheat Research Assoc., Bozeman, MT  
J. Vavrovsky, Research Specialist, Moccasin, MT  
Dave Philips, Fergus County Extension Agent, Lewistown, MT  
Judee Wargo, Chouteau County Ext. Agent, Fort Benton, MT

This report was included with section II report as the Geraldine site was abandoned and there were only six durum entries in the trial. Therefore it was thought best to put the information with the recrop durum.
